TRAILERS

1 4' TALL REAR RAMPGATE

The 10TV is equipped with a 4' tall tubular rear rampgate. It is also available with an optional 5' gate as well as a Heavy Duty Integrated Rampgate option.

2 V-CRIMPED SIDE PANELS

24" Tall, V-Crimped Side Panels provide strength as well as excellent cargo control for the 10TV. Load it up without fear of your cargo falling out.

3 2-5/16" ADJUSTABLE FORGED COUPLER

The ultimate in versatility, the 10TV is equipped with an adjustable coupler. This makes it easy to adjust to different hitch heights within a fleet of trucks or to change out to other coupler options.
