

Which Big Tex Dump Trailer model is right for your customers?

Whether your customers are looking for a 14K dump with a full feature set, or just looking for a reliable dump trailer without all the bells and whistles, Big Tex has the trailer to fit their needs. While the 14LP is loaded with convenient and time saving features, the new 14LD provides the bare necessities at a price that won't break the bank. Below is a side-by-side comparison to help your dealership pinpoint the right dump trailer for your customers' needs.
